

PROJECT DEVELOPMENT / PROJECT DEVELOPMENT

Sources 2 Projects & Process

Training Mentors for European Screenwriters and Filmmakers

Sources 2 Projects & Process is an intensive training course for professionals working in the field of script and story development. It offers a forum for an exchange and evaluation of experience.

Dates: 31 May-5 June 2019, Warsaw, Poland

Application deadline: 1 March 2019

The programme enhances professionals' skills in transferring knowledge, developing human resources, mentoring and encouraging creative processes - which finally lead to efficient and productive collaboration. In addition, the workshop offers a forum for exchange of experience and networking with international colleagues.

This workshop is specifically geared towards professionals working in the position of mentors for screenwriters and filmmakers in the field of script and story development (fiction and documentary), such as screenwriters, developers, consultants, script editors, producers, commissioning editors, trainers, and decision makers.

Sources 2 Projects & Process is a three-month process involving three work groups of five participants each. Three Sources 2 advisers guide through work processes, case studies and discussions.

The course involves:

- One-month preparation time

- A four-day workshop with group sessions plus lectures and keynote discussions

A two-month coaching period in close contact with group members and advisers
An online round-off.
