## **Cartoon Digital**

*Evolutions of animated entertainment in our connected lives*

**Cartoon Digital is part of a trio of short but intensive Cartoon Masters courses designed to teach animation professionals about the opportunities and challenges offered by the new technologies, platforms and digital actors. (The others are Cartoon Business and Cartoon Springboard.)**

**The 2021 edition of Cartoon Digital will discuss platform evolution and innovation drivers in a fast-changing industry.**

**Dates: 26-28 May 2021, online**

Cartoon Digital is a top-level seminar about the latest developments in animated entertainment in our connected lives.

More than 20 speakers lead an online 3-day conference on how the combination of Internet and mobility have opened great creative and business opportunities for animation content owners and producers.
