## **Cartoon Springboard**

*Pitching event for young talents*

**Cartoon Springboard is part of a trio of short but intensive Cartoon Masters courses. The others are Cartoon Business and Cartoon Digital.**

**Cartoon Digital is designed to improve the pitching skills of young producers.**

**Dates: 26-28 October 2021, Valencia, Spain**

**Deadline for project submission: tbc**

This is a pitching event and project-based seminar aimed at helping New Talents who have completed their education to improve and accelerate their access to the audiovisual and digital markets.

CARTOON Springboard is the pitching event where young talents from European animation schools can pitch their project in front of a panel of experts from the audiovisual world.

The 3 day-event will consist of presentations by experts on market trends, buyers' expectations etc. and pitching sessions by young talents' projects, including an interactive discussion with a panel of experts.
