

PROJECT DEVELOPMENT

Cinekid Script LAB

During the Cinekid Script LAB, an international group of writers and writer/directors will work on their plans for children's feature films. The programme offers tailor-made coaching and training; it responds to the specific writer's and story's needs, along a six-month trajectory.

Application deadline for 2020/2021: 1 June 2020

Points of focus

- Offering a specific focus on writing for young audiences
- Improving participants' writing and pitching skills
- Development towards a new (and better) draft of their script or treatment
- Connecting writers who are working on scripts for young audiences
- Extending participants' international network
- Facilitating an exchange of knowledge among participants

October (during Cinekid for Professionals)

- Introduction to fellow participants; individual coaching
- Individual coaching
- Plenary workshop (Test & Pitch with Kids)
- Come back sessions
- Participation in Cinekid for Professionals

November to January

- Follow-up sessions
- Participants reconnect with their coach to discuss their progress (by phone or Skype)

February (during Berlinale)

- Individual coaching
- Screening(s) Generation program
- Plenary workshop (Scripts in Action)
- Presentations by industry experts
- Come back sessions
- Participation in the Berlinale

April

- Individual online aftercare sessions
