

POST-PRODUCTION / PRODUCTION

DOK.Incubator Workshop

dok.incubator is an international documentary rough cut workshop for editors, directors and producers.

Dates:

1st session: 12-31 April 2021, Online // ROUGH CUT

2nd session: 21-29 August 2021, Olomouc, Czechia // FINE CUT

3rd session: 16-23 October 2021, Broumov, Czechia // NEAR PICTURE LOCK

dok.incubator, an international documentary rough-cut workshop, provides six-months of individual tutoring by top internationally-active editors, producers and distributors.

The workshop inspires teams of eight selected films from all over the world, each represented by three team members (producer, director, editor) to:

- sharpen the final cut
- emphasize the film's international potential
- prepare an innovative marketing strategy
- plan a sophisticated distribution strategy
- break into the international market.

The teams work intensively in the editing room, building a clever, tailor-made distribution plan and marketing strategy, as well as meeting with important international distributors, sales agents and festival representatives.
