

COMPANY DEVELOPMENT / MANAGEMENT & FINANCING

EAVE+

An intensive four day workshop event for independent producers with a solid track record and international experience reinforcing their managerial and financial capacity to compete successfully in European and global markets and to run sustainable companies.

Dates: 21-26 September 2021, Luxembourg

EAVE+ offers 15 producers the opportunity to discuss their company structures and management practices together with high-profile industry experts during 4 days.

In immersive role-plays, design thinking and scenario planning exercises, group work, individual coaching and through an interdisciplinary approach, the EAVE+ workshop will tackle the business side of running a film company.

Top-notch business and management coaches explore topics such as cashflow management, leadership, company strategies, negotiation with financiers and partners, and raising finance from investors.

The programme is designed for producers who have been running their own company for five years+ and/or who have worked five years+ at senior management level in another company. It is strongly recommended that two individuals at senior management level attend from each company.
