

PROJECT DEVELOPMENT / CHILDREN'S FILM

Kids Kino.Lab (formerly Kids Film.Pro)

Kids Kino.Lab is an international development programme for film projects and TV series for young audiences.

Dates: 26 November-2 December 2019, Ale Kino Festival, Poznan, Poland

28 February- 5 March 2020, Athens, Greece

30 May-5 June 2020, Zlin Film Festival, Czech Republic

26 September-1 October 2020, Kids Kino International FF, Warsaw, Poland

The goal is to support the production of ambitious movies for children aged 4-12 years, based on the highest artistic and production standards of European cinema. Kids Kino.Lab works with 8 teams (scriptwriter and producer) on participant's projects. The script is developed from short synopsis to second draft of script together with production basics (estimated budget, financing and promotion plan). The programme is dedicated to script riters and producers who are interested in developing their film (live action, animation or documentary) or a TV series from a concept to a highly advanced script stage and initial production assumptions.
