

DOCUMENTARY / PROJECT DEVELOPMENT / PRODUCTION / CO-PRODUCTION / POST-PRODUCTION

ZagrebDox Pro

ZagrebDox Pro is a training programme consisting of a preparatory workshop for creative documentary projects in different stages of development and production, a Pitching Forum and individual meetings. The four-day workshop is tailored for professional director/producer teams. In some cases, teams can also be joined by the screenwriter, cinematographer or editor, but a director and/or a producer must be present.

Dates: Normally a 6-day programme during ZagrebDox, ZagrebDox Pro took place online from 15-23 March after the ZagrebDox Festival was postponed.

Application deadline: 7 December 2019

During the intensive four-day workshop, director-producer teams of independent creative documentaries work on improving their pitching skills in order to best present their projects to future financiers and potential co-producers. In specific cases, project teams can be accompanied by a scriptwriter, cinematographer or editor.

ZagrebDox Pro aims to help the participants reach international partners needed for completion of their films through individual and group work on project presentation, by working on improving the structure of the financial plan, and the quality of the teaser.

The workshop trainers and Pitching Forum moderators are the director of Biografilm Festival **Leena Pasanen** and independent producer **Stefano Tealdi**.
